Work and Administrative Experience

Rocky Ridge Music Center Alumni Liaison: 2012-2013

Responsibilities included writing press releases, interviewing competition winners, communicating with prospective students and their parents, and speaking before concerts about the camp's mission and goals.

Rocky Ridge Music Center Library/Office Assistant Work Study: 2013

Responsibilities included managing library tasks and assisting with organization and clerical work.

Eastman School of Music Concert Office Usher : Oct. 2015—May 2016

Responsibilities include hall management and crowd control as well as backstage duties such as lighting performance areas properly and attending to the performers needs before the concert. Additionally program printing, proofreading and distributing duties were performed.

Rocky Ridge Music Center Head Counselor June-August 2016

Worked alongside another head counselor in overseeing a group of 4-8 counselors over a period of nine weeks. Each counselor was assigned 3 or more music students aged 10-18 to live with and mentor. Responsibilities included scheduling activities, monitoring minors, CPR certification, harassment training, concert management and setup, and communicating with parents and teachers about the best interests of the students.

Inn on Broadway Front Desk Receptionist and Seating Hostess: September 2016—May 2017

responsibilities include answering phones and email, booking hotel and restaurant reservations, seating hostess and server duties, providing guests with amenities and managing coat check and event requests. Administrative duties include creating seating charts and event planning, logging receipts and purchase histories, directing business associates to the proper channels, doing accounting paperwork and communicating with housekeeping.

Graduate Ensemble Assistant at the University of Maryland: September 2017-Present

Responsibilities include orchestral and chamber music participation, and coaching and performing with University of Maryland's Repertoire Orchestra.

Graduate Assistant in Marketing at the University of Maryland: September 2017-Present

Responsibilities include coordinating calendar updates between the school of music and the university's general calendar, responding to news emails, coordinating with professors and students for the production of performance programs, creating and sending out newsletters for the school of music, updating the school of music websites and assisting the marketing team with flyer production, online media presence (such as Facebook, Twitter and Instagram) and other marketing needs.
